ALUMINUM WINDOWS & PATIO DOORS

---

CONTEMPORARY STYLE WITH TIMELESS BEAUTY  
STRONG AND DURABLE

## Contemporary style. Strong and beautiful.

Milgard Standard Aluminum windows and patio doors beautifully accentuate the clean, thin lines of contemporary design, combined with strength and durability that lasts.

For years, architects and builders have specified aluminum windows and patio doors when projects called for combinations with large glazing areas to accentuate maximum views.

It's tough to beat Milgard Standard Aluminum windows and patio doors for their narrow sightlines, design flexibility and lasting value.

### STANDARD ALUMINUM | A150 OFFERS:

- Clean lines and narrow frames for a contemporary look
- High quality components that start with the rollers and go all the way to the frame itself
- SunCoat® Low-e glass is standard for energy efficiency and helps protect against fabric fading
- Replacement and new construction options
- The Milgard Lifetime Limited Warranty

# Define Your Home with Windows

Milgard Standard Aluminum windows can be combined to build just about any configuration you can dream up. The narrow sightlines coupled with its inherent strength inspire design freedom and the Milgard commitment to quality provides peace of mind you can count on.
